### Welcome

A warm welcome to all our new boys and girls starting Nursery. We hope your child settles well and has a very happy and enjoyable year here with us. Settling into Nursery is a gradual process and the length of the day will be extended as your child develops confidence and feels secure in the Nursery. Please remember if you have any questions or concerns do not hesitate to speak to your child's teacher.

Topic this month:

### Myself

Our topic this month is 'myself'. We will be learning about different parts of our bodies. We will talk about our families and homes. As we settle into Nursery we will learn the rules and routines and enjoy making new friends!

Please do not send any toys/ bags etc in from home as we do not have any space to store these.

Our colour this month is yellow, please go over this at home.
