News Update

Class and Group Photographs

Proofs of the Class and Group Photographs are being sent home today. If you would like to buy one, please return the sealed white envelope completed, with payment enclosed. No loose payments will be accepted by the school. The deadline for placing orders is **Monday 17th May 2010**.

Whole School Photographs

A reminder that a photographer will be in school on Friday morning, to take a whole school panoramic photograph. The last time such a photograph was taken was in 2000. We would ask for a full attendance at school on **Friday 14th May 2010** and that pupils are looking smart in **full school uniform**.

Marathon Sponsorship

The deadline for Marathon Sponsorship money to be returned was **Friday 7th May 2010**. Any outstanding money should be returned to school this week with the Sponsorship Form. If no money was collected, the blank sponsorship form must be returned.

New Reception and Office Now Open

Our new Reception and Office is now in operation. Parents are reminded that they must report to the new Reception hatch on arrival at school. Thank you for your co-operation on this matter.
