Our News

News Sheet November 2025

Welcome Back!

A warm welcome back to everyone after the half-term break. We hope you enjoyed your time off school.

Topic this month:

Space/ Day and night

Our topic this month is Space. We will be making rockets and exploring planets. We will be learning about day and night and nocturnal animals.

Our colour this month will be black and our shape will be a circle. Please keep going over colours and 2d shapes at home;

*Can your child find something that is a circle shape at home?

*Can you have a go at painting any shapes?

*Have a look on YouTube at 'Numbertime Shape' programmes - there are lots of episodes about different shapes.

*Type into google- 'Topmarks

Monster Shape'- this is a good game for your child to reinforce shapes.

Coats

Some children are still finding it difficult to put their own coat on and change their shoes. Please encourage independence at home to help with this.

Outdoor Play

As the weather gets colder, please ensure your child has a warm coat with a hood in school with them daily.

Scarves are not allowed for safety reasons so please do not send these in to school.

Unless your child can put on gloves independently please send mittens only to school. Thank you for your cooperation in this area.

The children all really enjoyed our Sponsored Welly Boot Walk to raise money to buy new musical instruments for our outdoor music area to benefit all the children. We were overwhelmed by your generosity and have raised an amazing **£1,203!**

Thank you so much for all your support!

Happy Birthday
Tilly
