## Our News

## News Sheet December 2025

### Topic this month

The topic this month is 'Christmas'. This is a very exciting time for the children as the true meaning of Christmas is very important in our Nursery curriculum. We will be talking to the children about the Nativity Story. Children will have the opportunity to make Christmas decorations and cards. We will be focusing this month on the colours gold and silver and our shape will be a star.

Why not reinforce our shape and colours this month by talking to your child as you decorate the Christmas tree? Look for gold and silver decorations and of course the star at the top!

### Nursery Singalong

We are really looking forward to our Nursery Singalong on Wednesday 10th December at 10am. Tickets can be purchased on ParentPay.

### Jo Jingles

Jo Jingles will visit the Nursery on Wednesday 3rd December. The cost of this will be covered by Nursery Fund.

### Christmas Party

Our Christmas party will be on Thursday 18th December. No school uniform on this date and please wear a Christmas jumper.

### Christmas holidays

On Friday 19th December, Nursery will finish early, more details to follow. There will be no dinner on this date and this is a non uniform day. We hope you have a lovely Christmas!

### Getting Ready To Learn

Please keep encouraging your child to practise using their scissors, play dough and pre writing activities.

### Big Bedtime Read

We hope you are enjoying the Book Bags that are going home every Monday. Please continue to return these on a Friday morning.

### Outdoor play

As we are outside every day, please send a warm coat, hat and mittens for your child, as it can be very cold outside for the children. No gloves, unless your child can put them on independently.

### Happy Birthday

Myla Bailie Lillie Grace

Rory Óg Kaylannie
