Our News

## News Sheet January 2026

### News

Welcome back to all our boys and girls. We hope you all had a lovely Christmas break and are ready for another busy term!

We are practising zipping our coats up. Please encourage your child to try to do this themselves.

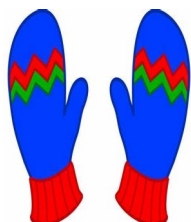

### Outdoor Play

As the weather gets colder, please ensure your child has a warm coat with a hood in school with them daily.

Scarves are not allowed for safety reasons so please do not send these in to school.

Unless your child can put on gloves independently **please send mittens only** to school. Thank you for your cooperation in this area.

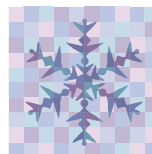

### Topic this month

Our topics this month are Winter, birds and Arctic animals.

\*We are looking for things that will be blue and white this month and finding square shapes.

\*We will be looking at how water freezes, and melts and talking about snow, and ice.

\*We will be learning to recognise our first name.

Why not encourage your child to do some bird watching at home or when out and about? Each child will have the opportunity to make binoculars which we will then send home. You could talk about the colours of the birds, what they might like to eat, and how we can help care for them when it is cold.

This month we will be encouraging the children to use our balance bikes. Please take your child out on their bike on a regular basis to help them,

Please remember to pay January's Nursery Fund on ParentPay.
