We will then be learning all about Jungle animals.

### Saint Patrick

We are learning about St. Patrick and the colour green.

### Interest Table

Our interest table this month is 'Spring on the farm'. If you can send in any green/ farm related items, we would appreciate this. Please make sure the items are named.

Please continue to ensure your child has a **hat and mittens**, otherwise they will be very cold outside!

Lots of children are managing to put their own zips up on their coats. Keep up the good work!
