This term in Nursery, we will be spending time on our gross motor skills. Please help your child to ride their bike, throw and catch a ball, jump and even make a hopscotch outside with chalk.

We will also plant seeds and bulbs in our nursery garden and watch them grow. Each child will also be planting a sunflower seed and will be able to bring their plant home when it grows.

Please continue to go over shapes, colours and counting to 10 at home.

Fairytales

We will be reading and talking about a variety of fairytales including 'Goldilocks And The Three Bears', 'The Three Little Pigs', and 'Jack And The Beanstalk'. Please encourage your child to talk about these stories and enjoy reading them together.

Our shapes are circles and triangles and our colours are pink and purple.

Please remember to talk to your child about what they have done at school.

Please continue to encourage your child to do up their zip independently.

Happy Birthday
