HSC NI Foster Care appeals for more foster families to come forward as number of children becoming looked after continues to increase

There are a wide range of children who need looked after for varying amounts of time.

From short-term to long-term Foster Care; Short Breaks for children with disabilities; and Supported Lodgings for 16+yrs, there is an opportunity to fit with your family and lifestyle.

You don't need a spare bedroom to foster however each child needs to have their own bed.

What's provided?

- Furniture
- Financial allowances to cover all expenses
- Training and support
