School Photographs

A photographer will be in school on **Thursday 12th November 2020** to take individual and family group photographs.

As well as taking photographs for you to consider buying, we, as a school, will have a photograph of every pupil taken to be used on our computerised Information Management System (SIMS). This is covered in the consent that you have already provided for photographs at the start of the year.

If you have more than one child at Ballyoran and you wish to have a family group photograph taken, please phone the office and inform the secretary.

Unfortunately, due to the current restrictions, we are unable to have family members coming in who do not attend Ballyoran, as would have happened in previous years.
