

13<sup>th</sup> November 2020

Dear Parent

## **Mathletics November Challenge: 16<sup>th</sup> 22<sup>nd</sup> November 2020**

We have registered Year 2-7 for the Mathletics November Numeracy Challenge. It is a worldwide challenge to find the top 200 scoring schools.

Each pupil will be encouraged to gain as many Mathletics points as possible from 16<sup>th</sup> –22<sup>nd</sup> November inclusive to add towards the school total. Our aim is to get into the Top 200 leader board with the top 3 schools receiving from £100-£500 towards their Mathletics subscription.

We will also be running a competition in school to find the class with the most points and the top scoring pupil in each class will also be announced. We will post winners later in the term.

Please encourage your child to participate in this challenge. Mathletics is a great way to reinforce what is being taught in school in Numeracy.

Many thanks in anticipation

Mrs Brown  
Numeracy Co-ordinator
