

8th April 2020

Dear Parent

Home Learning & Easter Holidays

I hope you and your family are well and that your child/children has been able to complete the work set for them in the Home Learning Packs, over this last couple of weeks. As a school staff we are missing seeing our pupils in school every day and I am sure the children are missing being in school with their friends. As a school staff, we send our best wishes to all of our pupils.

A reminder that an overview of the Home Learning Packs along with many other free ideas/resources/websites are available in 'Children' and 'Home Learning.'

Today would have been the last day of term if we had been in school and we would all have been on Easter Holidays until Monday 20th April. I would encourage you to give your child/children a break from their Home Learning over the Easter Holidays.

If pupils have been following the suggested timings, they should have enough work in their Home Learning Packs to continue with after the Easter Holidays. Teachers will be preparing a second Home Learning Pack which will provide enough work for pupils until the end of June. These will be available for you to collect in school, in May and I will send you further information on this after Easter.

Can I also please remind you to download our new school app if you have not already done so. (See previous letter for instructions)

Finally, I would like to thank you for your continued co-operation and support during these challenging times and wish the entire school community a Happy Easter.

Yours faithfully

Richard Woolsey
Principal
