WELCOME BACK

Welcome back to Nursery! We hope everyone had an enjoyable half-term break!

Nursery Welly Boot Walk

Our children had a fantastic time taking part in our Sponsored Welly Boot Walk. Thanks to your incredible generosity, we raised an amazing **£1,242** to purchase new construction toys and resources for our home area. We would like to say a heartfelt thank you for your support. The children are excited to enjoy the new resources very soon!

thank you

Topic this month

This month, our topic is Space! We will be exploring planets, making rockets, and discovering what happens during the day and night. The children will also be learning about nocturnal animals and how they are active after dark.

Colour/Shape of the Month

Our colour this month is black and our shape is a circle. Please continue to practise colours and shapes at home.

- Can your child find something shaped like a circle at home?
- Numbertime Shape episodes are great for exploring shapes.
- Try the Topmarks Monster Shapes game for extra shape practice.

Outdoor play

As the weather gets colder, please ensure your child comes to school each day with a warm coat and hood.
For safety reasons, scarves are not permitted in Nursery. Unless your child can put on gloves independently, please send mittens instead.
Thank you for your cooperation!

Please continue to encourage your child to put on and take off their coat, shoes and wellies independently. Regular practice at home helps to build confidence and develop important self-help skills.
